Why SATX

Top Security Clearance

- San Antonio has more than 10,000 certified cyber professionals, almost as many as there are in the entire state of Colorado or North Carolina, and three times as many as the Austin area.
- The National Security Agency (NSA) TX is one of only four NSA Cryptological Centers conducting worldwide signals intelligence, cyberspace operations, and cybersecurity operations to ensure the integrity and availability of mission and computer systems.

Top Notch Talent Pipeline

- San Antonio boasts six NSA and Department of Homeland Security (DHS) Centers of Academic Excellence (CAE) designated universities, the most designations in the nation.
- The Cyber Innovation Research Consortium (CIRC) brings together 10 area universities and colleges to integrate and amplify their collective capabilities as high-powered cybersecurity institutions.

Incentives and Special Trade Areas

- State-level incentives like the Texas Enterprise Fund, Enterprise Zones, and the Skills Development Fund, and Property Tax Relief from local municipalities help make the San Antonio region competitive for capital-intensive projects.
- Bexar County is a Foreign Trade Zone, which can result in reduced fees and duties.

Life Works GreaterSM

Simply put, your employees can enjoy more of what they earn in San Antonio. San Antonio's cost of living is the 4th lowest among America's 25 largest cities, residential home prices are the most affordable in the Texas Triangle at under \$325,000 in 2023, and the average commute time is around 24 minutes. There's something for everyone with a vibrant foodie scene, nightlife, the arts, and over 150 miles of trail and 15,000 acres of park in San Antonio and much more in the MSA.
